

William Thomson
Elmer B. Milliman Professor of Economics
March 2024

Department of Economics
University of Rochester
Rochester, NY 14627

wth2@mail.rochester.edu

Office phone: (585) 275-2236
Departmental phone: (585) 275 5252
Departmental fax: (585) 256-2309

Education:

1972: Diplôme d'Ingenieur de l'Ecole Polytechnique, Paris, France
1976: Ph.D. in Economics, Stanford University

Employment:

1976-1980: Department of Economics, University of Minnesota, Assistant Professor
1980-1983: Department of Economics, Harvard University, Visiting Lecturer
1982 (September): Nagoya City University, Visiting Lecturer
1982-1983: Department of Economics, University of Minnesota, Associate Professor
1983 (June): Hebrew University of Jerusalem, Institute for Advanced Studies, Visiting Fellow
1983-1985: Department of Economics, University of Rochester, Associate Professor
1984 (June): Université d'Aix-Marseille and Ecole des Hautes Etudes en Sciences Sociales, Directeur d'Etudes
1985-present: Department of Economics, University of Rochester, Professor
1986 (May): Université de Rennes, France, Visiting Professor
1993 (June): Delta, Paris, France.
1997 (May): Université de Cergy-Pontoise, France, Visiting Professor.
1997 (June): Université de Caen, France, Visiting Professor.
1998 (June): Université de Caen, France, Visiting Professor.
1999 (Spring semester): Harvard University, Visiting Professor

1999 (June): Université de Caen, France, Visiting Professor.
2000 (May): Université de Caen, France, Visiting Professor.
2005 (June): Paris School of Economics, France, Visiting Professor.
2013 (Spring semester): Harvard University, Visiting Professor

Editorial service:

Social Choice and Welfare, Board of Editors, 1983-present.
Economics Letters, Board of Editors, 1985-2006.
Games and Economic Behavior, Board of Editors, 1988-2019. Advisory Board, 2019-.
International Journal of Game Theory, Board of Editors, 1992-2003; Editor-in-Chief, 2003-2008; Board of Editors, 2008-2010.
Review of Economic Design, Associate Editor, 1993-2004; Board of Editors, 2004-present.
Mathematical Social Sciences, Board of Editors, 1994-present.
Theory and Decision Library, Series C: Game Theory, Mathematical Programming and Operations Research, Board of Editors, 1994-present.
Economic Theory, 2000-2004.
Journal of Economic Theory, 2005-2013.
Latin American Economic Review, 2013-present.
Games, 2019-
Studies in Choice and Welfare, Board of Editors, 2013-present

Other service

Society for Social Choice and Welfare, council member.
International Game Theory Society, council member.

Honors:

German Bernacer Lecture, Alicante, 1989.
Fellow of the Econometric Society, elected 1990.
Condorcet Lecture: keynote address at the V-th International Meeting of the Society for Social Choice and Welfare, 2000.
Koc Prize for best article in *Review of Economic Design*, 2000.
2001 University Award for Excellence in Graduate Teaching (University of Rochester).
Plenary session speaker: Canadian Economic Theory meeting, Montreal, 2003.
Plenary session speaker: Midwest Mathematical Economics meeting, Bloomington, 2004.

Presidential address: VII-th International address of the Society for Social Choice and Welfare, Osaka, 2004.

Plenary session speaker: SING 1, Maastricht, June 2005.

Society for Social Choice and Welfare, President-Elect, 2002-2004.

Society for Social Choice and Welfare, President, 2004-2006.

Listed in *Who's Who in Economics*, (M. Blaug ed).

Pareto Lecture: 2005 ASSET Meeting, Crete.

Plenary session speaker: XVII-th International Game Theory Conference at Stony Brook, 2006.

Keynote speaker: SING 3, Madrid, July 2007.

Keynote speaker: COMSOC. Liverpool, September 2008.

Plenary session speaker: Second Brazilian Meeting of the Game Theory Society, Sao Paulo, August 2010.

Plenary session speaker: Chinese Game Theory Association Inaugural Meeting, Beijing, August 2010.

Economic Theory Fellow, elected in 2011.

Keynote speaker, JOLATE, Bogotá, October 2012.

Keynote speaker, SING 9, Vigo, July 2013.

Keynote speaker, *Society for Economic Design*, Lund, July 2013.

Keynote speaker, *70 years of Theory of Games and Economic Behavior*, Tinbergen Institute, Amsterdam, June 2014.

Conference on the Axiomatics of Resource Allocation, held in the honor of 65th birthday, at the University of Rochester. Special issue of *Social Choice and Welfare* based on event, January 2017.

Conference on Distributive Justice, held in the honor of 65th birthday, at Seoul National University.

Fellow of the Game Theory Society, elected in 2017.

Plenary session speaker at the *Fair Allocation in MultiAgent Systems* conference, Montreal, May 2019.

Plenary session speaker at the *Applied Mathematics, Modeling and Computational Science*, Waterloo, August 2019.

John Stuart Mill Lecture, Lustrum of the Philosophy, Politics and Economics Program of the University of Amsterdam, June 2021.

Special issue of *International Journal of Economic Theory* in honor of William Thomson, edited by Youngsub Chun, Kazuo Nishimura, and Makoto Yano, 2022.

Lifetime Achievement in Graduate Education Award, University of Rochester, May 2022.

Plenary session at the Meeting of the Society for Statistics and Operations
Research in Elche, Spain, November 2023.

Research grants awarded:

NSF Grant No SES 8006482, 1980-1982

Sloan Foundation Grant, (co-investigator) 1980-1982

NSF Grant No. SES 8311249, 1983-1984

NSF Grant No. SES 8511136, 1985-1987

NSF Grant No. SES 8809822, 1988-1990

NSF Grant No. SES 9212557, 1992-1994

NATO Institute, 1996 (for 1997 program).

NSF Grant No SBR-9731431, 1998-2000.

NSF Grant No SES-0214691, 2002-2004.

NSF Grant No SES-07021107, 2007-2009.

Theses supervised:

Youngsub Chun (1986), Seoul National University, Korea

External member of dissertation committee: Carmen Bevia (University of Alicante, 1993); Thomas Piketty (Delta, 1993); François Maniquet (University of Namur, 1994); Pablo Amoros (University of Alicante, 1997); Bernardo Moreno (University of Alicante, 1997); Bettina Klaus (Maastricht University, 1998); Anne van Gellekom (Nijmegen, 2000); Abdurahman Ziad (University of Caen, 2000); Paulo Corte-Real (Harvard University, 2000); Lars Ehlers (Maastricht University, 2001); Sofia Grahn (Uppsala University, 2001); Juan Moreno-Tertero (University of Alicante, 2003); Julio Gonzalez-Diaz (University of Santiago de Compostela, 2005); Ricardo Martinez (University of Alicante, 2006); Marieke Quant (Tilburg University, 2006); Mateo Triossi (University Carlos III, 2006); Eve Ramaekers (University of Namur, 2006); Mirjam Groote Schaarsberg (Tilburg University, 2014); Peng Liu (Singapore Management University, 2017); Bas Dietzenbacher (Tilburg University, 2018); Maria Solis (Reus University, 2018); Oihane Gallo (University of the Basque Country, 2020); Di Feng (University of Lausanne, Switzerland, 2023); Iago Núñez Lugilde (University of Vigo, Spain, 2024)

1 Conferences organized

1. Decentralization Conference, University of Minnesota, Minneapolis, 1982.
2. Decentralization Conference, University of Rochester, 1987.
3. “The Legacy of Lionel McKenzie”, (co-organizer), University of Rochester, 1988.
4. Buffalo-Cornell-Rochester theory conference, Rochester coordinator. Organizer when it took place in Rochester.
5. Second International Conference for Social Choice and Welfare, Rochester, 1994.
6. NATO Advanced Research Institute “Game theory and resource allocation: the axiomatic method”, Stony Brook, 1997.
7. IXth International Game Theory Conference, Stony Brook, 1998.
8. “Axiomatics of Resource Allocation”, Wallis Institute mini conference; Rochester, May 2003,
9. “Game Theory and Social Choice”, Wallis Institute mini conference; Rochester, April 2004.
10. “Resource Allocation and Game Theory”, Wallis Institute mini conference; Rochester, April 2006.
11. “Roth and Sotomayor; Twenty Years After”, (co-organizer), Duke University, May 2010.
12. Osaka-Rochester Theory Mini Conference; (co-organizer), University of Rochester, September 2013.
13. “2nd GRODE Workshop: Claims Problems”; (co-organizer), Reus University, Spain, May 2017.
14. Osaka-Rochester Workshop on Alternatives-to-Market Design”, University of Rochester, was to be held in March 2020, cancelled due to Covid-19.

2 Books, Monographs

1. *Axiomatic Theory of Bargaining With a Variable Number of Agents* (with T. Lensberg), Cambridge University Press, 1989.
2. *The Legacy of Lionel McKenzie* (conference volume coedited with R. Becker, M. Boldrin and R. Jones), Academic Press, 1993.
3. *A Guide for the Young Economist*, M.I.T. Press, Cambridge, 2001, 2003. Revised second edition, 2011, includes additional chapter “Being

a graduate student in economics”. Revised third edition, in preparation.

- Chinese translation, Shanghai University of Finance and Economics Press, 2002.
 - Japanese translation, Tokyo Keizai publisher, Tokyo, 2006.
 - Catalan translation, 2013, University Rovira i Virgili Press.
 - Spanish translation of the second edition, further revised, University of Los Andes, Ediciones Uniandes, 2015.
4. *Bargaining and the Theory of Cooperative Games: John Nash and Beyond*, (collection of reprints of classic papers, with an introduction; editor), Edward Elgar Publishing Ltd, Camberly, Northampton, MA, 2010.
 5. *How to Divide when there Isn't Enough: from Aristotle, the Talmud, and Maimonides to the Axiomatics of Resource Allocation*, Monograph of the Econometric Society, Cambridge University Press, 2019.
 6. *The Axiomatics of Economic Design, Vol 1: an Introduction to Theory and Methods*, Springer Verlag, 2023.
 7. *Consistent Allocation Rules*, Cambridge University Press, forthcoming, 2024.
 8. *The Axiomatics of Economic Design: Models of Resource Allocation*, Springer Verlag, currently 350 pages, forthcoming, 2024.
 9. *Bargaining Theory: the Axiomatic Approach*, Academic Press, forthcoming.
 10. *The Theory of Fair Allocation*, Princeton University Press, forthcoming.

3 Articles

1. “Maximin strategies and elicitation of preferences,” in *Aggregation and Revelation of Preferences*, (J.-J. Laffont, ed.), North-Holland, 1979, 245-268.
